

## LEADERSHIP APPLICATION

Thank you for your interest in becoming a Chapter Leader with Immersion Outfitters (IO). Group life plays a vital role in our mission of *equipping men to stand firm in their faith by building relationships with God and people*. Leaders are called to love, lead, mentor, and encourage others to Christian maturity through community.

A leadership candidate should have a consistent relationship with God, a desire to be used by God to serve others, and a humble, teachable heart that receives instruction gladly. Someone suited to chapter leadership should also be prepared for the time commitment it takes to be an effective leader.

We are NOT looking for perfect people; we ARE looking for people who know that spiritual maturity is a journey, and who are willing to help lead a few other people along the way.

There are several steps involved in becoming a Chapter Leader. Here is what the process looks like:

1. Pray about your desire to lead a small group. Discuss it with your current group leader.
2. Complete the application that follows this letter.
3. Review your application with your leader. If everything looks good, submit your completed application to [info@ioministry.org](mailto:info@ioministry.org).
4. The Ministry Assistant will check your application for completeness and confirm accuracy of your application then it will be forwarded to our community pastor to review.
5. You will be contacted to schedule an interview so leadership can get to know you better, review your application, and answer any questions you may have.
6. After the interview, our leadership will notify you of our decision and discuss next steps in the chapter leader selection process.

If approved:

7. Attend a Facilitator Foundations class to learn more about your responsibilities as a chapter leader.

From there, IO leadership will walk alongside you as we launch your new chapter, provide support, materials, swag, and more!

Thank you again for taking this important step. Please continue to pray about your decision as you proceed. We look forward to working together to help *men of God be transformed one chapter at a time*.

Sincerely,

Immersion Outfitters Leadership Ministry Team
